This 2-story Georgian Revival is loaded with high-end finishes, including crown and casement moldings, a box-beam ceiling in the great room, Water Works fixtures and Visual Comfort lighting. The open kitchen features commercial-grade appliances and custom-made cabinetry. The breakfast and great rooms create a large gathering area. Off the great room, a den features custom bookshelves and a window seat. A double-sided, see-thru masonry fireplace is situated between the great room and sunroom. The custom open through staircase showcases a solid brass handrail. All bedrooms have private custom baths. The master includes his-and-hers closets, a beautiful custom shower and vanities. The main-floor laundry also has custom cubbies in the mud room. Other outstanding highlights include 10' ceilings on the main floor, 9' ceilings on the upper level, multi-zoned HVAC and a full-landscape package.
